

## **Chocolate Chip Cookies**

Makes 2 dozen cookies

### **Ingredients**

90g granulated sugar  
70g brown sugar  
80g margarine or butter, softened  
50g Trex shortening/fat  
1 egg  
1 teaspoon vanilla extract  
240g self-raising flour  
60g chopped mixed nuts  
170g chocolate chips

### **Method**

Pre-heat oven to 160°C fan.

Mix sugars, margarine, Trex, egg and vanilla extract. Stir in remaining ingredients.

Drop dough by large rounded teaspoonfuls inches apart onto an ungreased cookie sheet. Bake until light brown - 10 to 12 minutes. Cool slightly before removing from cookie sheet.
